A Programme For Developing Skills On Information Technology

Jatiya Yuva Computer Prashikshan Kendra (JYCPK) has taken up an initiative for developing skills and literacy on Information technology & Computer Education to digitalize the people for connecting with the Universe. JYCPK is established with the intention of changing the landscape of human development especially in the computer education profession. As an organization, we are acutely aware that education is an important part of a person's life for without education, one cannot grow and without growth, there is no sense of satisfaction in life. Therefore, JYCPK encourages all students to excel in whatever challenges set for them and we hope all JYCPK students learn with a deep sense of personal achievement. We fully support every student's endeavors and assist in achieving their success. We truly believe our success lies with the students' success.

About JYCPK

Jatiya Yuva Computer Prashikshan Kendra is registered as an Autonomous body under Govt. of West Bengal based on Central Govt. TR Act, 1882, Govt. of India (Reg. No : IV-19034472).JYCPK is an ISO 9001:2015 Certified Organization by Joint Accreditation body of Australia & New Zealand (JAS-ANZ) for Quality Management System (Certificate No : QMS15/DRS16/34U02). The organization is also registered under MHRD (CR Act), Govt. of India (10635/2016-CO/L); N.C.T Delhi Labor Department, Govt. of India (Registration No: 2016047786).

In the era of Digital India programmed, Jatiya Yuva Computer Prashikshan Kendra has set up a vision to transform India into digitally empowered society and knowledge economy through Computer literacy. JYCPK motto is to spread the computer education in every corner of India and reach out to every citizen of India by delivering high quality technical education.

Mission of JYCPK

- To provide Computer literacy at each corner of the country.
- To present a bright future to the aspiring students to meet their dreams.
- To help talented, dynamic and deserving students who are financially poor with Scholarships & stipends.
- To assist deserving students for job opportunities.
- To deliver quality education and provide proper educational environment for the students.
- Motivate the students to be self-dependent by learning technical education and earn their own livings.
- To abolish the curse of computer illiteracy from the society.

President's Desk

I would like to bid a warm welcome to the world of JYCPK, the premier organization for computer education and also congratulate you for stepping ahead in the field of Information Technology to digitalize India. I sincerely welcome those people who aspire to pursue studies, to educate or to innovate in the field of Information Technology to join us. The Education development is a long-term commitment & Information technology is playing a vital role in our day-to-day life. The organization aspires to be a center of excellence in teaching computer education at all levels, expanding and diversifying the pool of qualified individuals in the computing profession.

Our future depends on the actions that we take right now and in today's world, the time is demanding from us to move forward with the rapid changes and it is only possible by the IT industries. The Indian IT sector is growing drastically for the last few years and the whole world can understand the power of the Indian talent, Intelligent & enthusiastic IT professionals. We believe in "IT + IT = IT i.e. Indian Talent + Information Technology = India Tomorrow" a famous quote by our PM. JYCPK will always deliver high quality education, proper environment and dedication efforts towards all our associates.

Gear up Guys ! Move forward with the pace of the information Technology, achieve your goals, fulfill your dreams and make a better tomorrow.

I look forward to a bright educational career for you and wish you a bright future & success in every steps of your life.

Cheers !!!
Thanks & Regards !
D. Ghosh

Why JYCPK

JYCPK has bunch of benefits for Franchises as well as to Students. We encourage the Franchises and students to steps forward and join with us to get all the facilities and feel the differences with others.

Franchise Benefits:

- No Franchise Fees. > No Royalty Fees. > No Inspection Fees. > No Hidden Fees. > Only Registration Fees.
- Authorization legal agreement paper and Franchise Certification.
- Information Broucher& Student Registration form.
- Provides online login account for maintaining records of the students in our website.
- Flex banner Advertisement. > Online/On call Support. > Legally Supported Documents. > SMS/Email/Media Marketing support. > Online Exam conduct/Result verification for the students. > All India Valid Certificates.
- High quality course materials, question papers and as per IT Industries course structure.
- Training Support for your Faculty and marketing team. > Placement assistance for the Students.
- Guest lecture arrangement by best faculties for the Institute.

Student Benefits:

- High quality course oriented Study materials. > Globally accepted Certificate after completing the course.
- Online and Offline exam facility at your Study centre. > Online verification of Student Registration.
- Result Verification Through Online. > Live Project experience opportunity.
- Placement assistance from the organization.

Facilities available at JYCPK

LAB Facilities: The labs are well designed to provide a convenient environment for learning. The labs are equipped with a wide range of Computers. The computers are interconnected through Local Area Network (LAN).

Faculty: Our expert & experienced faculties are hired from the industry. They are young & friendly and the students can expect to benefit from their focus on relating theoretical issues to their business applications.

Guest Lecturer: JYCPK will provide guest lectureship to all the associated Franchises with the high-class trained faculty.

Study Materials: The students are given study materials, which are designed to benefit the students not only during the course but also as a reference tool in their future career.

Students Feedback: Feedback sheets are circulated to the participating students after the end of each topic, providing an opportunity for the students to comment on the teaching or the contents of that topic.

Examination / Evaluation Process: After the end of each topic a theoretical & a practical exam is held on each subject. Judging by the performances of these examinations the final grades are awarded at the end of the course.

Final Certificate: A certificate will be issued on successful completion of training.
